

## HOW TO DETERMINE WHICH IMPELLER YOU NEED

When determining your replacement impeller, search for the model number (\*middle column) that exists on the body of the pump. If you need help in finding your correct impeller, give our customer service at call at (800) 323-4784.

<b>If you have pump...</b>	<b>*and its model No. is...</b>	<b>you then need impeller...</b>
